

The Turks & Caicos Islands archipelago lies 575 miles southeast of Miami. The Tuscany is located on the island of Providenciales (Provo). Stunning beaches, some of the world's best diving and fishing, a championship golf course and of course warm crystal clear water all combine to make this paradise.

The Turks & Caicos Islands are well serviced by major airlines. Flying time from Miami to Provo is approximately 1 hour and 20 minutes. Daily service is available from Miami, New York, Charlotte and Atlanta. Other cities with direct flights include London, Boston, Toronto, Philadelphia, Montego Bay and Nassau.
